**Footnotes:**

<sup>1/</sup> **Period Covered:** The period covered by any statement begins on the day after the closing date of the last statement filed, or January 1, if no previous statement has been filed.

<sup>2/</sup> **Electronic Filing:** In addition to paper reports, candidates and committees must file electronically with the Secretary of State if, since January 1, 2000, they receive contributions or make expenditures totaling \$50,000 or more. For more information, visit the Secretary of State's web site at [www.sos.ca.gov](http://www.sos.ca.gov). Paper filings are also required except as described in footnotes 3, 4, 5, and 6.

<sup>3/</sup> **\$5,000 Reports: State Ballot Measure Expenditures:** Candidates and committees required to file electronically must file this report each time they make contributions totaling \$5,000 or more to committees formed to support or oppose the recall

measure. No paper copies are required, and no copies are required to be filed with other filings officers.

<sup>4/</sup> **90-Day Election Cycle Reports:** "Election cycle" is defined as 90 days prior to an election and ending on the date of election.

*Contributions:*

Candidates and committees required to file electronically must file this report if they receive a contribution of \$1,000 or more from a single source during the period. No paper copies are required, and no copies are required to be filed with other filing officers. The 90-day Election Cycle report is not required for committees primarily formed to support or oppose state candidates.

*Independent Expenditures:*

Primarily formed candidate committees required to file electronically must file this report if independent expenditures of \$1,000 or more are made during the

period in connection with a state candidate or state ballot measure being voted on June 3, 2008. No paper copies are required, and no copies are required to be filed with other filing officers, including during the late period. In addition, if the committee has made independent expenditures totaling \$1,000 or more in a calendar year to support or oppose a candidate or a measure it must file Form 465 at the same time, covering the same periods, and in the places where the candidate or committee would be required to file campaign statements, as if it were formed or existing primarily to support or oppose the candidate or measure.

5/ **Issue Advocacy Reports:** A committee must file this report if a payment or promise of payment of \$50,000 or more is made during the 45 days prior to an election for a communication that identifies a state candidate being voted on in the election but does not expressly advocate the election or defeat of the candidate. No paper copy is required and no copies are required to be filed with other filing officers.

6/ **Late Non-Monetary Contributions:** The recipient of a late in-kind contribution must file a late contribution report within 48 hours from the time the in-kind contribution is received.

**Additional Notes:**

- **Primarily Formed Ballot Measure Committees:** Prior to the semi-annual period in which the measure(s) supported or opposed is being voted on, committees must file quarterly campaign statements in addition to semi-annual statements. Following the election, quarterly statements may also be required.
- **Candidates:** After an election, reporting requirements will depend on whether the candidate is successful.
- **Late Statements:** Except for deadlines that fall on a Saturday, Sunday, or an official state holiday, filing deadlines may not be extended. Late statements are subject to a \$10 per day late fine.
- All statements are public documents.
- **Paid Spokespersons:** A committee that makes an expenditure totaling \$5,000 or more to an individual to appear in an advertisement to support or oppose a ballot measure must report the expenditure within 10 days on FPPC Form 511.
